

Saline Sustainability Circle Meeting  
Tuesday, May 15, 2007  
Minutes

1. Meeting called to order at 7:00 P.M. by Chairperson Lirones
2. Present: Jack Steeb, Christina Lirones, James Walter, Doug Veenstra, Larry Osterling, Joshua Long, Laurie Leinbach, Larry Stoever, David Rhoads, Keith Fineberg, and Art Trapp.
3. Because of a small mix up, part of the group met in the Police Training room while the balance met in the city Conference room. About 7: 30 the two groups joined together in the Police training room.
4. Review and Acceptance of Minutes for April 17, 2007 was moved by Stoever and seconded by Trapp. Approved with an all "aye" vote.
5. The group passed a sympathy card for Keith Girbach for signature and contributions to help with the Girbach children's education fund. Laurie offered to deliver the card to Keith's widow.
6. David Ivan's presentation was distributed as part of the meeting package. Any discussion was deferred as Larry Osterling from the Chamber of Commerce offered to pay the speaker fee for Mr. Ivan's presentation. The group indicated that the September 18, 2007 meeting might be the most opportunistic meeting night for the presentation. Art Trapp to contact David to set up a presentation. Meeting for September would be in the City Hall.
7. A discussion regarding the June 19, 2007 meeting with the State Legislators was held to determine the best questions to ask at that meeting. Christina to compile the questions for that meeting.
8. Meeting Notices: Dave Rhoads on the opening of the Rentschler Farms on 5/19/2007 at 11:00 A.M., the Community Garden opening on Sunday May 20, 2007 and the Circle of Art at the Saline Picture Frame on Sunday May 20, 2007.
